

# Challenge-1

jingying

2023-08-14

## Introduction

Hi I'm Jingying and I'm a year 2 student majoring in sociology + minoring in CNM and Japanese~

I'm very new to coding and techy stuff so im sorry if im very slow...

here is an image of my mental state when i was making this yay

here's an attempt at inserting a random image haha...this is from an event dialogue from genshin impact

## More about me

### Hobbies

I dabble in creative writing as a hobby, and I also play some mobile games in my spare time. I like going on walks as well!! I like to spend my leisure time like how I would if I was retired...

### Likes and dislikes

I like travelling and cold weather, and I dislike the local humid weather in SG...but I have no money to afford a holiday :,) I am also addicted to iced drinks!!
